SCHWEDER BUYS FAIRFIELD AVE. CLUB HOUSE

Marquette Manor Club to Disband Following Sale

Purchase of the Marquette Manor Club house, 6148 Fairfield ave., which has been the scene of many community gatherings was made last week by Edward Schweder, 6119 Laflin st. The deal was arranged through the club directors, William C. Reinke, Frank A. Northrup, Brendan O'Connell, Edward Silhanek, and John J. Rumpf, who considered the sale of the club house advisable to liquidate the organization's debts.

When first organized the club had a paid membership of 131, but this number was greatly reduced due to the fact that many people moved from the neighborhood. Upkeep of the club house was impossible under these circumstances, say its directors, and its management was turned over to the Marquette Manor Women's club, which is now seeking new quarters.

Mr. Schweder's cash offer of $5,600 was the highest received when the bids were opened by Mr. Reinke on May 26. This amount is to be used to liquidate the debts of the club, remaining funds to be employed in paying stockholders approximately $40 per share on their certificates, Mr. O'Connell stated Wednesday.

The property includes the club house and a lot, 42 feet wide. The new owner is undecided as to what disposition he will make of the building, but may retain it as an amusement hall. He is also considering plans to remodel the structure into an apartment house.

SELLS ADS IN FAKE CITY HALL DIRECTORY

Carl Bachler, a florist located at 5914 Western ave, was victimized out of $15 by a dapper confidence man Monday who sold him a display advertisement in a "City Hall Directory." The swindler, who gave his name as C. B. Williams, called Bachler on the telephone previous to visiting the store, stating that Alderman Thomas F. Byrne was sending him over when he asked for an appointment.

The directory, the swindler explained to Bachler, would contain the names of all the city officials and the alderman of the ward had recommended him as one of those who would be allowed to advertise in it. He asked for $35 but when Bachler complained that this was too much the figure was reduced to $15. Bachler, without investigation, gave Williams the money and received in return a receipt.

Bachler mentioned the transaction to a friend of his who is employed in the city hall and was informed that such a scheme was a fake. According to the description given to the police, who are making a search for the confidence man, he is about 35 years old, 5 feet, 10 inches in height, weighs about 195 pounds and is well dressed.

WAS IT ANATOMICAL OR ARCHITECTURAL?

Lack of physiological terms in one's vocabulary may not prove a serious handicap in the well known race to success, but in a police court—well, witness the case of Healy vs. Ryan.

Mrs. Eva Healy, 7350 Oakley ave., made an allegation that Richard Ryan, 7308 Claremont ave., had struck her and put her out of his house. Upon this declaration she obtained a warrant for Ryan's arrest.

Ryan was arraigned before Judge George A. Curran in the Grand Crossing court Thursday. Mrs. Healy enumerated every blow that she charges against Ryan and in concluding her statement she said, "When he went to put me out, he kicked me in the hallway."

"What part of the anatomy is that?" questioned the court.

"It's right off the front room," was Mrs. Healy's answer.

"Oh," ejaculated the judge, realizing that the offense was not so serious as he first imagined. "Five dollars and costs."

The injured man died as he was being removed to the Chicago hospital in the police ambulance. Besides the widow, Mr. Jensen is survived by three sons, Merlin, of 7626 Lowe ave.; Norman, of 89th st. and Stewart ave.; and Richard, of 514 W. 64th st. Mr. Jensen was a salesman.

SUPT. M. B. QUINN OF SURFACE LINES SPEAKS AT LUNCHEON

TRAFFIC PROBLEMS DISCUSSED AND CO-OPERATION PROMISED BUSINESS MEN

Traffic problems encountered during the thirty-seven years of his service with the Chicago Surface Lines formed the subject of a talk by M. B. Quinn, 6922 Green st., before the members of the West Englewood Business Men's association Monday noon.

"The average citizen," he said, "does not realize the difficulties and widespread influence of traffic blocks caused by accidents or other mishaps." Reinstating normal service after such tie-ups is a big part of Mr. Quinn's work as division superintendent of the surface lines, with headquarters at 69th st. and Ashland ave.

The fact that 58 per cent of the passengers are carried in five hours, and 9 per cent in the half hour after 5:30 o'clock produces another big problem. This is especially troublesome because the surface line employees' union demands that every man who works one hour be paid for eight hours' labor.

Mr. Quinn offered co-operation in all questions connected with the lines of his division, saying that many valuable suggestions are received by the company from letters of criticism written by patrons.

President F. R. McGarr appointed the following committee members to consider awarding a playground trophy at Ogden Park: George Bly, chairman; Fred Hess, and John Hertel.

Prizes for the association's automobile contest are now on display in the window of the Patrick McManamon furniture store at 1655 W. 63rd st., it was announced.

DEATH ENDS CAREER OF ADELAIDE TYRRELL WOMAN PHYSICIAN

DOCTOR HAD LATELY OPENED NEW OFFICE AT 63RD AND ASHLAND

Fellow medics and numerous patients who knew Dr. Adelaide M. Tyrrell, 62, 6520 Marshfield ave., during her career as a physician, paid final tribute Saturday to the woman who, by her own efforts, educated herself for a profession in which women were rarely found at the time, and became a well known figure in her particular field.

Recently she opened a new suite of offices at Ashland ave. and 63rd st., but fell ill before she had used them. Death occurred at 11:15 o'clock Thursday evening at Henrotin hospital and was caused by an ulcer of the stomach.

Teachers and school children of West Englewood were numbered among her friends. She had been an active charity worker and for many years was on the staff of the Illinois Charitable Eye and Ear infirmary, 904 W. Adams st. There she ministered to hundreds of the needy sick.

Medical associations also knew her as an active worker. At one time she served as secretary for the Women's Medical society. That organization was represented at her funeral by Drs. Flynn and Goldie Hoffman. She also belonged to the Chicago Medical association, the Illinois Medical association, the National Medical association and the American Women's Medical association. During the World War she was a physician for the Woman's National Council of Defense.

Dr. Tyrrell was born on a farm in Will County, Ill., and graduated as a nurse from the Cook County hospital in 1889. She spent several years in that profession before determining to become a doctor. Her medical training was obtained at the University of Illinois. She worked her way through college and was graduated in 1909. Since that time she has practiced medicine in Chicago and has specialized in eye, ear, nose and throat cases. Her loop office was 29 E. Madison st. Many of her patients were from West Englewood, where she also maintained consulting rooms. She was a member of St. Theodore's church.

Funeral services were conducted at 10 o'clock Saturday morning from the home of a cousin, William Kaffer, in Joliet, Ill., and later at a Catholic church there by the Rev. Father Scanlan, formerly of Holy Cross church, Chicago. Burial was in St. Patrick's cemetery near Joliet. Dr. Tyrrell is survived by a large number of Joliet relatives. She was also an aunt of Dr. F. Lee Stone and Mrs. Leone Gilbert Stone of Chicago. Mr. and Mrs. James Renshaw, north side relatives, also attended the services.

MRS. RASMUSSEN IS RE-ELECTED BY P. T. A.

Mrs. William Rasmussen, 1007 W. 79th st., was re-elected president of the Perkins-Bass Parent-Teacher association at the annual meeting of the organization held Wednesday of last week.

Other officers for the coming year are: Mrs. Blanche Johnson, 1342 W. 64th st., vice president; Mrs. Maude Rea, 1342 W. 64th st., treasurer; and Mrs. George W. Stone, 6531 Racine ave., secretary.

Because the Commonwealth Edison company's picnic, where a large crowd will be in attendance, will be held June 14 at the Beverly Forest Preserve it was deemed unwise to hold the Bass picnic there that day as had been planned. It has been postponed indefinitely.

At the same time Captain Richard Doody was transferred from Hook and Ladder company No. 18, 4758 Halsted st., where the 11th battalion headquarters are located, to the local station. Captain Doody resides at 6823 Michigan ave.

Captain John Windheim, who was acting as battalion chief while Chief Kenyon was on sick leave, has returned to his old position at Engine company No. 61, 63rd and Laflin sts.

Although the new officers have been in their positions only a short time, they have gained the strongest of support from their subordinates.

DID OR DIDN'T THE COW GET POISONED?

Out west where men are men and cows roam the open spaces, strange things occur. Disputed claims of the proprietorship of certain of the bovines last year brought many cases to the local police court and it was necessary for the attorneys to wipe the cobwebs off the forgotten legal books containing laws that cover such cases. Their researches were fruitful and instead of looking upon a cow case as a legal embarrassment they took them as matter of course as they would take robbery, burglary, larceny and the thousand other crimes that they try.

But a new angle arose when James Fiske, 5550 Tripp ave., purchased a cow from his neighbor, James Klozek, 5805 Tripp ave. Fiske is the father of five children and his principal desire for a cow was to be independent of that early morning traveler in the white wagon—the milkman.

After having the cow for two days he claims it fell victim to one of those ailments peculiar to bovines and while it continued to partake freely of whatever a cow eats it failed to deliver the thirteen quarts of milk that its sale had guaranteed. Fiske had paid but $13 of the selling price of $43 and feeling that the cow was not yet all his, and that Klozek had still a major interest in it, he took it back.

Mrs. Klozek, under whose care the cow had been raised to its efficient state of milk production, was highly indignant. It had always been healthy and productive when she had it. Cows don't get sick without reason, she thought, and the fact that it had fell so low in health immediately after it was sold led her to believe that Fiske had poisoned it. She obtained a warrant for Fiske's arrest on disorderly conduct charges.

When the case came before Judge Curran in the Grand Crossing court Friday the situation had cleared up somewhat. The cow was convalescing. Still Fiske wasn't quite satisfied. He hadn't any assurance that the animal would recover its good state of health and he wanted his money back. In the minds of the Klozeks there still lurked a suspicion that wrong had been done to the animal.

The problem was too deep for Judge Curran. He freely admitted it. "Now if I were a veterinarian, instead of a lawyer," he said, and then the solution came upon him.

"The case is continued to June 12," he ordered. "We'll get a veterinarian to diagnose the cow's ailment." . . .

OLD SETTLERS ASK ALL WEST ENGLEWOOD TO 4TH CELEBRATION

BASEBALL GAME BETWEEN "OLD TIMERS" TEAMS AND CONTESTS ON PROGRAM

"Rich man, poor man, beggar man, thief; doctor, lawyer, merchant, chief" —All, with the exception of the beggar and thief, are to be invited to the fourth of July picnic of the West Englewood Old Settlers. The women and children, too, are to be provided for, races and various contests being planned for the amusement of the crowd of several thousand which is expected to attend the outing at the Beverly Forest Preserve, 87th and Western.

The picnickers will gather at 10 o'clock at the corner of 63rd st. and Ashland ave., where transportation will be provided for everyone. Tickets for refreshments may be obtained at that corner from committee members before the trip to the Forest Preserve is begun. Automobiles of West Englewood merchants, decorated with flags, will form part of the parade to the picnic grounds. In case of rain the basket dinners will be eaten at the Ogden Park Masonic hall, 6319 Ashland ave., chairman George Bly announced at the committee meeting Tuesday evening.

A baseball game between two teams of Old Settlers will be the big feature of the day's entertainment. Horseshoe pitching, potato races, sack races, wood sawing and nail driving contests for women, are being planned, as well as races for fat men, fat ladies, married men, single men, and children of different ages.

Prizes will be donated by Old Settlers, and should be taken to the office of the John Bain Real Estate Improvement corporation, 1610 W. 63rd st., not later than Monday, June 30. Persons wishing to make such donations are requested to call the George Bly residence, Prospect 4689.

MOVE TILDEN TECH SHOPS EQUIPMENT INTO NEW BUILDING

THREE THOUSAND STUDENTS TO BE ACCOMMODATED IN SEPTEMBER

Occupation of the shops in the new wing at Tilden Technical high school, 38th st. and Union ave., began Thursday morning when workmen started moving the equipment into the new quarters. It is expected that the work of installing the machinery will require about two weeks, and will be completed in time for operation at the opening of summer school.

With the completion of the new wing, the second to be added to the Tilden school, the "prep engineering school for boys of the south side" will accommodate 3,000 students.

The first new wing, already in use, has enabled the school to take care of 2,000 students, the present enrollment. At least 800 new students are expected to enter the south side technical school in September, when both new wings will have been entirely finished. But one wing of the former building has been preserved.

Opening of the new shops will double the number of students which can be trained there in one day, raising the present total of 150 to 300. The cost of the new equipment, now being installed, will be over $100,000.

Tilden Tech teaches boys the recognized high school studies of mathematics, science, history, modern languages, and English together with technical training along mechanical, electrical, automotive, or architectural lines.

Although two year courses are offered, which prepare boys for apprenticeship in a number of trades, the main purpose of the school is to prepare students for admission to the universities and advanced schools, Principal Rosseter asserted. The school is accredited by the North Central association of high schools and colleges, and many of its graduates attend Armour Institute and the University of Illinois.

COUNCIL POSTPONES ROBEY IMPROVEMENT

Action on the ordinance proposing the extension of Robey st. from Montrose ave. to 95th st. was postponed until fall when the matter came up for consideration by the city council Wednesday morning, June 11.

The improvement is expected to cost about $34,000,000, the ordinance calling for a 66 foot street, 18 feet narrower than that originally planned. Opposition to the narrow pavement was voiced by representatives of the Chicago Motor club who called upon Mayor Dever Tuesday to register their complaints.

The police, who say the incident was accidental, took her to St. Bernard's hospital.

LINDBLOM HIGH GRADS TO FORM LIONS' BAND?

Harry Keeler Proposes Community Organization from School Talent

Proposals for the formation of a band, to be composed of graduating members of the Lindblom high school band, were suggested to the West Englewood Lions Thursday by Harry Keeler, principal of the school. According to his plans the band will be financed by the Lions club and will bear its name.

"The Lindblom band, won a trophy in a citywide competition recently and is considered the best in the city," said Mr. Keeler. "At the end of every semester, about fifteen of the members of the band graduate. They are capable players, but they have no connection with any organization any longer, and their talent is wasted. It would be a wonderful thing if some organization would organize these boys into a band.

Need for Band

"That such an organization is necessary is shown by the fact that I receive numerous requests for the services of the Lindblom band, which I cannot grant. The unit would be an asset to the community and if you do not desire to take it over I will, in connection with the night school."

Mr. Keeler estimated that to take over the band and procure the services of C. D. Bowman, the school band director, would cost between $500 and $1,700, the latter figure to include the purchasing of all uniforms. The club moved to refer the matter to a committee for investigation. President William K. Peak appointed George Bly, Rudolph Shoeppe and Harry Keeler on the committee.

Richard C. Crawford, the three minute speaker, advised investment in low interest bonds for safety and warned against mining and oil stocks. He repeated the thrift axioms laid down by Andrew Mellon, secretary of the treasury.

Peak Named for County Board

Announcement was made that President Peak was one of the nominees for the board of directors of the Cook county council of Lions clubs. Mr. Peak had been offered the presidential nomination by the body but declined.

A check of $200 was presented to Mr. Keeler by Mr. Peak to defray the expenses of ten Lindblom students who went to Springfield to study the life of Lincoln. This is the first of annual trips that will be made by the ten most worthy students of the school, Mr. Keeler stated.

In introducing a plan for a picnic of the club to be held in August, Mr. Peak called for a vote on the advisability of holding it on a week day or on Sunday. By a slight majority, it was decided to hold the picnic on a week day, preferably a Wednesday afternoon. Dr. J. W. Seaborg, Paul Troy and Charles Dorigan were appointed on a committee to take charge of the project.

P. T. A. TO GIVE PICNIC FOR R. O. T. C. BOYS

Merchants of the vicinity donated the prizes for athletic events to be held in Beverly Hill Forest Preserve, Western ave. and 87th st., Saturday in connection with the Lindblom Parent-Teacher association picnic in honor of the prize band and picked R. O. T. C. drill company of the school. The student body of the institution has been invited to attend the celebration.

An ordinance has been passed by the city council requiring the elevation of the railway tracks crossing Western ave. at 74th st. and acceptance of the order is anticipated in the near future. Action cannot be taken too soon. Already a much traveled thoroughfare, the widening of Western ave. will soon make it indisputedly one of the city's busiest through streets because of the distance it covers. ELEVATE THE TRACKS

But it is not future developments alone that make elevation of railway crossings within the city limits urgent. Present conditions and frequency of accidents suffice to require it.

But you may not be entirely clear as to just how the 25 per cent reduction on incomes for the year 1923, authorized by the new revenue law, is to be applied. Here is a set of rules governing the reduction issued a few days ago by the treasury department that may help you:

HOW TO PAY TAX

"If at the time you filed your federal income tax return you paid three-fourths of the amount of tax reported, no further payment will be due. If at the time you filed your return you paid one-half of the amount of tax reported, no payment will be due until September 15. If at the time you filed your return you paid only one-fourth of the amount of tax reported, you must pay on or before June 15 one-half of the amount paid by you when you filed your return. The main point to be borne in mind is that one-half of the tax due from you this year must have been paid on or before June 15.

"Taxpayers who paid only one-fourth of their tax in March should not make the mistake of thinking they may take credit for the full 25 per cent reduction at once and not pay anything when the second installment comes due. The new law provides that the 25 per cent reduction shall be prorated over all four installments. For instance, if an individual reported a tax on $100 on his return, he can consider that the new law has reduced his tax to $75. If he paid $25, or one-fourth of the amount reported when he filed his return, then he must pay $12.50 on or before June 15. This amount, together with the $25 previously paid, will make up one-half of the $75.

"A simple way for a taxpayer to arrive at the amount of his June payment is to remember that if his March payment was one-fourth of the amount shown on his return, his June payment will be just one-half of his March payment. The tax remaining unpaid after June 15 must be paid in equal installments on or before September 15 and December 15, respectively."

A man out in Lawndale who expects to launch a new community newspaper there soon, wrote us the other day asking that we enumerate the ways in which we thought such a publication should serve its public. It was a large order, but we made an attempt to put our purposes into words. As our public may be interested in knowing just what we are trying to do for them, we quote here a couple of paragraphs from the letter: "Comparatively new in the journalistic field, city community newspapers serve, we believe, a real need, a need that will become more apparent and vital as urban centers absorb a larger and larger portion of our nation's population. While publishers of many community weeklies appearing in Chicago and elsewhere seem to be expending little conscious effort toward making them a force for good, there are a number who have developed a real sense of community responsibility.

ABOUT OURSELVES

"Exposition of evil conditions to secure their betterment. Generation of community pride and spirit through publicity to its superiorities. Assistance in the securing of civic betterments through the enlistments of public interest and co-operation. Promotion of neighborliness, and its consequent community of interests and effort, through the publication of personal and social news that it is impossible for a daily serving a city of three million to give. Co-operation with churches, schools and other 'uplift' organizations. Enlistment of the support of the people of a district for their home merchants, that the local business district may thrive, thus enhancing property values and improving the general financial condition of the section. These are a few of the ways in which a community newspaper can and should serve its public, which [illegible] old up before ourselves as working ideals."

Two boys, wealthy, and with every privilege money can buy, want a thrill. And so, if newspaper reports are true, they kill a 14-year-old boy. In gruesome anticipation every detail is carefully worked out months ahead. They do not decide who the victim will be—that is merely incidental to the thrill. But they work out every other detail. An auto is to be rented, weapons purchased, padding for the chisel to kill the victim, places for the disposal of clothing are settled upon; and, finally, a "safe" depository for the naked body is located. Every horrible detail is settled, evidently to the supreme, if silent, satisfaction of the plotters.

SOMETHING LACKING

By the Rev. L. W. Almy, Pastor Marquette Park Presbyterian Church

And so the schedule, prearranged, is carried out, without a hitch; and the young men retire to an upper room to watch the frantic, hurried scramble for the guilty murderers. But miles away, a few feet from the naked body of the boy, lies a pair of glasses, not provided for in the careful preparation for the crime. Arrest speedily follows, confessions are made, indictments voted. And unless Justice's hands are tied, another and greater "thrill" awaits the murderers at the hands of an indignant and outraged state.

These college men had money enough and to spare. No advantage was lacking to them. Their education was of the finest, and their intellectual accomplishment throughout was of the highest. All the benefits of extensive travel were theirs. The choicest culture of a refined social circle was ingrained into them. But there was one thing lacking: Religion. The one thing that gives balance and ballast to life, was not permitted into their hearts. And the result was two lives ruined, others shattered, and an innocent lad hurled into eternity.

After nineteen hundred years Jesus' words (Matthew 6:33) sound like they were spoken but yesterday: "Seek ye first the Kingdom of God and His righteousness, and all these things shall be added unto you.

What Coolidge Said

to the National Association of Real Estate Boards Convention in Washington:

"The ownership of a home, the feeling of independence that comes with possession of a bit of the earth, are among the most powerful incentives to high civic interest and usefulness. You men represent one of the strong practical forces working to make ours a nation of home-owning families."

The value of a home is recognized by every thinking man. The ability to secure a home is within the power of every family. The value of living in your own home is beyond measure in its influence upon your character and reputation.

You have talked this matter over long enough. ACT NOW. Come and see the homes we have.

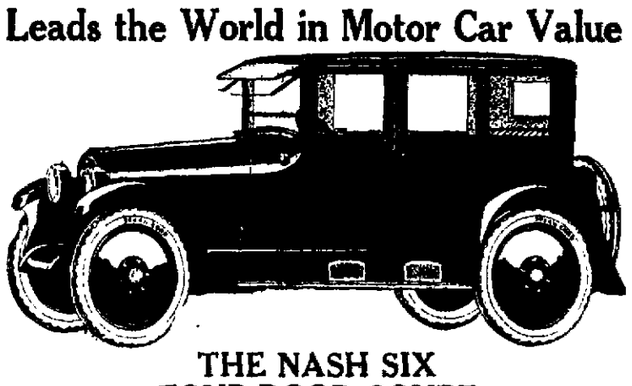
NASH

Leads the World in Motor Car Value



THE NASH SIX FOUR-DOOR COUPE

PICTURED above is a model that illustrates splendidly Nash ingenuity in the creation of original body types. Through expert use of every interior inch the car has been made delightfully spacious and yet it is so compact that handling is greatly facilitated. The body by Seaman is finished either in lustrous maroon, or Nash Sky Blue, with black running gear and fenders. Five disc wheels with the fifth wheel mounted at the rear are standard equipment along with a Nash self-mounting carrier. There's a rear-view mirror; kick plates to protect the paint; an instrument board with all instruments grouped deftly under glass; rubber filled running boards; and lengthened, low-sweeping fender. At the rear there's a sturdy trunk that is an inbuilt feature of the body. Strong nickel-plated bars add a decorative note to the trunk and the rear of the body and permit strapping on additional luggage without injury to the coach finish. The upholstery is of mohair and taupe in color. There's an attractive vanity case and a smoking set of flush type. Overhead is a dome light that floods the car with soft radiance and there are two reading lights—one in each rear corner—that throw light directly over your shoulder.

A way to make your iron smaller

After you've been pushing an iron around your ironing board for an hour or two, that iron seems to grow larger and heavier with every push. "Semi-finish" service will make your iron lighter, for it irons all the flat work, fluffs bath towels, underwear and hosiery, dry and smooth, ready to use, leaving only the lighter pieces for you to do.

And this "semi-finished" service comes at a price that the most modest income can afford.

PASTOR CELEBRATES FOURTH ANNIVERSARY

Commemorating the fourth anniversary of its pastor's ordination and his connection with the church special services will be held Sunday at the Atonement Evangelical Lutheran church, 70th and Laflin sts. The twenty-first anniversary of the congregation's organization was celebrated last Sunday. The pastor, the Rev. L. O. Cooperrider was first connected with the church in January 1920 when he began preaching here as a student minister.

Sunday morning's sermon will be preached by the Rev. J. F. Seipel, D. D. general secretary of home missions of the United Lutheran church of America. Holy communion will also be celebrated at this service. At 6:30 a pageant, 'Gateways of the Bible' will be presented on the church lawn by the Sunday school under the direction of Mrs. Cooperrider. Dr. Simon Peter Long, pastor of Wicker Park church, was speaker at the lawn social held Wednesday evening.

During the Rev. Mr. Cooperrider's pastorate $3,250 has been paid on the church debt, repairs to the church building costing $1,000 have been made, and a parsonage purchased at a cost of $5,200, of which the remaining $2,900 will be paid in connection with the anniversary celebration. Additional members received by the congregation during the past four years number 182.

EUNSON SAVES THOBURN'S GAME FROM IMMANUEL

Comes to Aid When Opponents Pound Anderson Heavily

When the Immanuel Baptists began to pound the offerings of Anderson and things looked bad for the Thoburn Seniors at Washington Park Saturday, Eunson, former Lindblom high school twirler, came to the rescue on the mound and saved the day for the local church nine. Eunson was backed up by some timely hitting and the combat came to a close with the count 12 to 6 in favor of Thoburn.

Anderson was pounded for ten hits in the four frames he pitched and the Baptists divided these bingles into five runs to lead by a two run margin. When Eunson assumed the mound duties Thoburn hit their stride and put across a three run rally. The victors cut loose again in the seventh and, going all the way through the lineup with six hits and a walk, they registered a half dozen runs. Hansen starred in this frame by making two of the hits, one of which was a double.

Thoburn will go out after another win Saturday against the Vincent M. E. nine at Tuley Park.

GRAND CROSSING COPS TRIM ENGLEWOOD 15-11

Slamming out a total of fifteen hits, Grand Crossing policemen downed the Englewood coppers, 15 to 11, in a police league game at Ogden Park Wednesday. Thirteen of the visitors' hits were garnered off Borsholt who was removed when he got himself in a bad fix in the seventh.

Barrett took his place with two runs scored, the bases loaded, and only one down. He closed the inning with only one more run scoring and in the two frames he pitched he gave only two hits.

HORSESHOE TOURNEY POSTPONED BY RAIN

Saturday and Sunday rains prevented the holding of the invitation Horse Shoe meet in Ogden Park Sunday, June 8. Temporary courts were erected to show what some of the Ogden Park and Armour Square players could do but the tournament was postponed until 1 o'clock Sunday afternoon, June 15. A more extensive tournament which will be known as the South Park Senior tournament will be held at Ogden Park, at 2 o'clock Saturday afternoon June 21.

LINDBLOM GOLF TEAM WEAKENED BY LOSS OF BOB WHITE, '23 CHAMP

ELIMINATION TO PICK SQUAD FOR PREP MEET TO BE HELD SOON

Without the services of Bob White, prep golf champion last year, Lindblom is not expected to loom as a strong entry in the Chicago high schools golf tournament to be held next Thursday on the Olympia Fields links.

White is ineligible for play because of scholarship difficulties and elimination to pick the quartet to represent the school has not yet been held. This tryout round will probably be staged before the end of the week.

Englewood and Tilden are expected to have strong teams among the south side schools. A change was made in the plans for the tournament recently when the Olympia Fields club gave the schools the courtesy of their course and instead of holding the meet at Jackson Park Saturday, June 21, the date was switched to allow them to use the private course.

WANT GAMES? SO DO BEARCATS A. C. NINE

The Bearcats A. C. baseball team, a newly organized West Englewood nine, are desirous of scheduling baseball games with teams averaging from 17 to 19 years of age. Arrangements can be made by calling "Art" at Republic 4567.

TILDEN, LINDBLOM FARE POORLY IN PREP TRACK MEET

PATTERSON SCORES MOST OF TECH TEAM'S POINTS IN SENIOR DIVISION

With Patterson as their only individual scorer, Tilden Tech trackmen fared poorly in the annual high school field and track meet at Ogden Park Saturday, taking seventh place in the senior division with six points. The juniors from Tilden succeeded in placing only one man besides finishing for points in the relay and their four markers gave them sixth place. Lindblom showed up even worse, the seniors not registering at all while the juniors netted only 2 2-5 points.

Patterson, who last week placed in the University of Chicago interscholastic, was given his strongest competition by Sexton of Hyde Park's winning team. Patterson copped off third honors in the 100 yard dash, trailing Sexton and Sherwood of Senn. He also was runnerup to Sexton in the 220 yard dash and was instrumental in giving Tilden fourth place in the relay.

Moody was the only junior individual to score from Tilden. He came in third in the 120 yard low hurdles race. The remaining point was made by the relay team which took fourth place.

For Lindblom, Crowder and Trantman each scored a point apiece, the former by being the fourth to cross the finish line of the 220 yard dash and the latter by taking the same place in the half mile run. Leonard Hall, who loomed as the West Englewood school's strongest entry, was outclassed and all he could do was register the fraction on his team's meager total. He did this by being one of the seven entries that tied for third and fourth places in the pole vault.

ALBERT WASHINGTON TO OLYMPIC ENTRY

Coach Alonzo Stagg of the University of Chicago has picked Albert Washington Jr., as a track entry for the Olympic games in France. He is the son of Mr. and Mrs. Albert Washington, jr., 6121 Loomis st., and was prominent in athletics when a student at Englewood high school.

Since entering the University of Chicago, where he is studying chemistry, Washington has taken an active part in all athletics there. He is to run Saturday in the Harvard University final tryout for the American Olympic track and field team. He and Charley Paddock are to sail for Europe about July 1. Paddock is from California and spent Tuesday in Chicago prior to leaving for Washington to deliver a lecture there.

Her Immunity

After the epidemic had been checked an old negress protested vigorously when the health officers started to take down the sign they had put up on her house.

"Why don't you want us to take it down?" one of the officers asked.

"'Ere ain't be'n a bill collectah neah dis house sense dat sign was nailed up. You-all please let it alone?"—People's Home Journal.

CRANLEY STARS FOR ST. RITA IN FIRST CATHOLIC TRACK MEET

TAKES HIGH INDIVIDUAL HONORS WITH FIRSTS IN 100 AND 220 YARD DASHES

Firsts in the 100 yard and 220 yard dashes, won by Joseph Cranley, gave St. Rita ten of their twelve points that gained the school fifth place in the first annual Chicago Catholic high schools' track and field meet at Loyola Saturday. Loyola won the meet with a total of 36 1-5 points and De Paul was a close second with 34 2-5 markers.

Cranley performed brilliantly to carry off the high point honors. He led the 100 yard field with a time of 0:10 4-5 and broke the tape in the 220 in 0:24 3-10. The remaining two points were made by Jerry Kelly, who placed fourth in the shotput and the relay team composed of Cranley, Hogan, Nevin and Lausuerski, which was also fourth in the 880 yard run.

TO ERECT SCOUTS' MONUMENT SUNDAY

Letters have been sent to each Scoutmaster in the Stock Yards district, urging that representatives be sent to the ceremonies in Mt. Greenwood cemetery Sunday afternoon at 2 o'clock when the monument honoring Scout Jerry Coursen will be unveiled. The ceremony was planned for Memorial day but had to be postponed as the monument was not completed.

Coursen, a first class Scout of Troop 418, Sherman Park troop, died last year. The memorial stone, which is a life size representation of a Scout with features resembling as nearly as possible those of the dead boy, has been erected by the boy's father, Eugene Coursen, 5510 Racine ave.

At least fifty Scouts will take part in the services, sounding taps in honor of their dead comrade. H. B. Stafford, Field Scout executive, plans to have a prominent Scout worker make the dedicatory speech.
